

Dunadry Hotel

Side by side
Hand in hand
Heart to heart

Your wedding is one of the most special days of your life; here at the Dunadry, we're old hands at weddings.

Built on the site of an ancient fort and once home to both paper and linen mills, the Dundary Hotel is rish with stories of times past. We have over 40 years of experience, with friendly, professional staff who give everything to add that personal touch and offer a host of facilities for your special day.

Our beautifully landscaped lawns and naturally beautiful grounds are something really quite special. Our main garden is the perfect place for your wedding photos with the Six Mile River flowing through the grounds and featuring our century-old mill race.

The Tree of Peace and Unity

In the gardens stand two trees joined together in holy matrimony. With love, kindness and hope, they grow together in bright light, protecting each other with peace and perfect unity. May you be blessed as you sit under the tree with real goodness, health and yes that perfect unity.

The Cork Display

Throughout the hotel you will see displays containing champagne corks from previous weddings here at The Dunadry. Each one belongs to one of the many happy couples who have celebrated their special day with us; signed as a lasting tribute to their wedding and their love.

Just for You

We only host one wedding per day, so you'll have our undivided attention.
