Shared stories old and new; rich and beautiful

Built on the site of an ancient fort, the Dunadry Hotel oozes character; rich with stories and history. Roaring open fires, the majestic Grand Ballroom and beautiful internal gardens provide a venue like no other; a place of memories created, stored and cherished.

As a couple we invite you to become part of the story. Every couple who have their wedding with us sign their champagne cork as a reminder of your day at Dunadry Hotel and a symbol of celebration for your future together, displayed as a memory in the beautiful cork display cabinets.

*Secluded setting...
just for you*

Our grounds are as rich with stories and historical significance as the hotel itself.

Take a stroll down to the banks of the Six Mile River and Centuries old Mill Race River Walk. This rural and beautiful setting within the hotel grounds provides a stunning backdrop to capture the most beautiful and unique photos of your day.

of love was

Beautiful grounds make beautiful photos and once at the hotel you have it all. A vast internal landscaped garden awaits you and your guests.

An idyllic location for your guests to enjoy a Summer drinks reception and music whilst providing a picturesque location for your photographs.

Standing proud in the middle of the garden is the iconic Tree of Unity. Two trees that have joined in the middle and grown as one, perfectly symbolic of the love of Dunadry couples.
